Letter from Chairman

Dear Friend,

Whether you are just getting to know the Lexington County Sheriff's Foundation or have supported us for years, we are truly grateful for your interest. Your support helps provide vital training, equipment, and resources for the Lexington County Sheriff's Department—needs that go beyond the yearly budget.

The Foundation was formed in 1999 when community members who participated in the Sheriff's Citizens Academy saw firsthand both the Department's dedication and its funding challenges. They stepped up to "fill the gap," and from that commitment, the Lexington County Sheriff's Foundation was born. Since then, our mission has remained the same: to enhance the safety of our deputies and the quality of service they provide to our community.

As a registered 501(c)(3) nonprofit*, every contribution we receive goes directly toward supporting deputies and improving public safety—without adding to taxpayer expense. Support comes through sponsorship and participation in our annual events - Awards Banquet, Jailbreak Escape, Shoot Out Sporting Clays Tournament - and through private contributions.

In this booklet, you'll find ways to support (or continue supporting) this important mission, whether through a year-long Partner Level sponsorship or by sponsoring our signature events individually. Together, we can ensure that the men and women who protect Lexington County have the tools and training they need to serve safely and effectively.

Thank you for your support—past, present, and future.

With gratitude,

David Lepore
2026 LCSF Chairman
